PROPERTY

As you drive over the spectacular and historic Lethbridge Bluestone bridge this magnificent property comes into view. The home offers countless possibilities for those who would like it all. Perhaps you're looking for enough room to house your extended family (adult children, grandparents etc) when they come and stay? Or maybe you're looking to set up a country stay B&B or possibly a polo/horse training facility? This is the property to have in your stable! A king-size bedroom with ensuite and generous walk-in-robe, plus 3 good-sized bedrooms are housed on one side of the home. On the other side of the home is another king-sized bedroom with ensuite and generous walk-in-robe, 4 more well-sized bedrooms, family bathroom and separate living room with an atmospheric woodfire. Both ends can be cleverly closed off with glass and timber doors, leaving the central living, dining and kitchen area open for everyone to gather. All the living spaces have beautiful polished floating timber floors with the kitchen including 2 side-by-side 4 burner electric hot plates, 900 under bench oven, breakfast
