Centrally located in Geelong West, this renovated unit is an ideal way to enter the market or would be the ideal addition to an investment portfolio. The property is extremely comfortable, well proportioned and offers excellent space. There are 2 bedrooms with BIR's; spacious lounge with a split system; combined kitchen/ meals area; bathroom and separate laundry. From the moment you walk in, the fresh paint work and new carpet make the property feel like new. The natural light enhances the neutral tones, and the location in the building offers exceptional privacy. There is a carport for each unit giving you undercover off-street parking, and the fact that you are a short walk to Pakington Street is lifestyle enhancing. For the owner occupier you can move in and unpack, and for the investor, it is unlikely that you will ever have a vacant property.
